# SAFETY DATA SHEET

Revision date 07-May-2024

| 1. Identification  |                               |
|--|-------------------------------|
| Product identifier   |                               |
| Product Name   | Ethofumesate 4SC Select       |
| Other means of identification  |                               |
| Product Code(s)  | 000165                        |
| Synonyms   | None                          |
| Registration Number(s)   | 45002-37-89442                |
| Recommended use of the che   | mical and restrictions on use |
| Recommended use  | Herbicide                     |
| Restrictions on use  | Follow label instructions     |
| Details of the supplier of the s   | afety data sheet              |
| <u>Company Address</u><br>PrimeSource, A Division of Alba<br>1525 NE 36th St<br>Ankeny, IA 50021 USA | ugh LLC.                      |

For Chemical Emergency Spill, Leak, Fire, Exposure, or Accident:

• Call CHEMTREC Day or Night within USA and Canada: 1-800-424-9300, Outside USA and Canada: +1 703-741-5970 (collect calls accepted)

For Medical Emergencies Only:

• Call Albaugh LLC Day or Night within USA and Canada: 1-888-347-6732

This product is an EPA FIFRA registered pesticide. Some classifications on this SDS are not the same as the FIFRA label. Certain sections of this SDS are superseded by federal law governed by US EPA for a registered pesticide. Please see Section 15. REGULATORY INFORMATION for explanation.

### 2. Hazard(s) identification

### **Classification**

Acute toxicity - Oral

Category 4

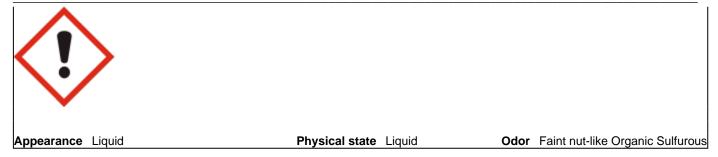

Hazards not otherwise classified (HNOC) Not applicable

Label elements Warning

Hazard statements Harmful if swallowed

**Revision Number** 1

#### **Precautionary Statements - Prevention**

Wash face, hands and any exposed skin thoroughly after handling Do not eat, drink or smoke when using this product

### **Precautionary Statements - Response**

IF SWALLOWED: Call a POISON CENTER or doctor if you feel unwell Rinse mouth

### Precautionary Statements - Disposal

Dispose of contents/container to an approved waste disposal plant

#### Other information

May be harmful in contact with skin. Toxic to aquatic life with long lasting effects. Very toxic to aquatic life.

### 3. Composition/information on ingredients

### Substance

Not applicable.

### Mixture

| Chemical name     | CAS No      | Weight-%    | Active Ingredient |
|-------------------|-------------|-------------|-------------------|
| Ethofumesate      | 26225-79-6  | 40.74-43.26 | Х                 |
| Propylene Glycol  | 57-55-6     | 2.85-3.15   |                   |
| Other Ingredients | PROPRIETARY | >50.0       |                   |

\*The exact percentage (concentration) of composition has been withheld as a trade secret.

### 4. First-aid measures

### **Description of first aid measures**

| General advice | Show this safety data sheet to the doctor in attendance.   |  |
|----------------|--|--|
| Inhalation     | Remove to fresh air.   |  |
| Eye contact    | Rinse thoroughly with plenty of water for at least 15 minutes, lifting lower and upper eyelids. Consult a physician. |  |
| Skin contact   | Wash skin with soap and water.   |  |
| Ingestion      | Do NOT induce vomiting. Rinse mouth. Never give anything by mouth to an unconscious person. Call a physician.        |  |

### Most important symptoms and effects, both acute and delayed

Symptoms

No information available.

### Indication of any immediate medical attention and special treatment needed

Note to physicians Treat symptomatically.

### 5. Fire-fighting measures

| Suitable Extinguishing Media                                   | Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.                               |  |
|--|---|--|
| Large Fire   | CAUTION: Use of water spray when fighting fire may be inefficient.  |  |
| Unsuitable extinguishing media                                 | Do not scatter spilled material with high pressure water streams.   |  |
| Specific hazards arising from the chemical                     | No information available.   |  |
| Explosion data<br>Sensitivity to mechanical impac              | et None.  |  |
| Sensitivity to static discharge                                | None.   |  |
| Special protective equipment and precautions for fire-fighters | Firefighters should wear self-contained breathing apparatus and full firefighting turnout gear.<br>Use personal protection equipment. |  |

### 6. Accidental release measures

### Personal precautions, protective equipment and emergency procedures

Personal precautions Ensure adequate ventilation.

| Methods and material for containment and cleaning up |   |  |  |
|--|---|--|--|
| Methods for containment                              | Prevent further leakage or spillage if safe to do so. |  |  |
| Methods for cleaning up                              | Pick up and transfer to properly labeled containers.  |  |  |

| 7. Handling and storage                                      |   |  |
|--|---|--|
| Precautions for safe handling                                |   |  |
| Advice on safe handling                                      | Handle in accordance with good industrial hygiene and safety practice.                                      |  |
| Conditions for safe storage, including any incompatibilities |   |  |
| Storage Conditions   | Keep containers tightly closed in a dry, cool and well-ventilated place. Keep out of the reach of children. |  |

### 8. Exposure controls/personal protection

### Control parameters

**Exposure Limits** 

This product, as supplied, does not contain any hazardous materials with occupational

### exposure limits established by the region specific regulatory bodies.

### **Biological occupational exposure limits**

This product, as supplied, does not contain any hazardous materials with biological limits established by the region specific regulatory bodies

### Appropriate engineering controls

| Engineering controls               | Showers<br>Eyewash stations<br>Ventilation systems.  |
|------------------------------------|--|
| Individual protection measures, su | ch as personal protective equipment  |
| Eye/face protection                | No special protective equipment required.  |
|                                    |  |
| Skin and body protection           | No special protective equipment required.  |
| Respiratory protection             | No protective equipment is needed under normal use conditions. If exposure limits are exceeded or irritation is experienced, ventilation and evacuation may be required. |
| General hygiene considerations     | Handle in accordance with good industrial hygiene and safety practice.   |

### 9. Physical and chemical properties

### Information on basic physical and chemical properties

| information on pasic physical and c    |                                  |                  |
|--|----------------------------------|------------------|
| Physical state                         | Liquid                           |                  |
| Appearance                             | Liquid                           |                  |
| Color                                  | white                            |                  |
| Odor                                   | Faint nut-like Organic Sulfurous |                  |
| Odor threshold                         | No information available         |                  |
|  |                                  |                  |
| Property_                              | <u>Values</u>                    | Remarks • Method |
| pH                                     | 6.5 - 7.5                        |                  |
| pH (as aqueous solution)               |                                  |                  |
| Melting point / freezing point         | No data available                |                  |
| Initial boiling point and boiling rang | <b>e</b> >100°C (>212°F)         |                  |
| Flash point                            | No data available                |                  |

| Relative density                       | No data available                |                  |
| Water solubility                       | No data available                |                  |
| Solubility(ies)                        | No data available                |                  |
| Partition coefficient                  | No data available                |                  |
| Autoignition temperature               | No data available                |                  |
| Decomposition temperature              |                                  |                  |
| Kinematic viscosity                    | No data available                |                  |
| Dynamic viscosity                      | No data available                |                  |
|  |                                  |                  |
| Other information                      |                                  |                  |
| Explosive properties                   | No information available         |                  |
|  |                                  |                  |

| Oxidizing properties  | No information available |  |  |
|---|--------------------------|--|--|
| Softening point   | No information available |  |  |
| Molecular weight  | No information available |  |  |
| VOC content   | No information available |  |  |
| Liquid Density 1.14*  |                          |  |  |
| Bulk density No information available   |                          |  |  |
| *Listed density is an approximate value and does not necessarily represent that of a specific batch |                          |  |  |

### 10. Stability and reactivity

| Reactivity                         | No information available.                 |
|------------------------------------|---|
| Chemical stability                 | Stable under normal conditions.           |
| Possibility of hazardous reactions | None under normal processing.             |
| Conditions to avoid                | None known based on information supplied. |
| Incompatible materials             | None known based on information supplied. |
| Hazardous decomposition products   | None known based on information supplied. |

### 11. Toxicological information

### Information on likely routes of exposure

### **Product Information**

| Inhalation   | Specific test data for the substance or mixture is not available.  |
|--------------|--|
| Eye contact  | Specific test data for the substance or mixture is not available.  |
| Skin contact | May be harmful in contact with skin.   |
| Ingestion    | Specific test data for the substance or mixture is not available. Harmful if swallowed. (based on components). |

Symptoms related to the physical, chemical and toxicological characteristics

Symptoms No information available.

Acute toxicity

Numerical measures of toxicity

| Oral LD50             | 967.1 mg/kg        |                        |                      |
|-----------------------|--------------------|------------------------|----------------------|
| Dermal LD50           | 2540.4 mg/kg       |                        |                      |
| Component Information |                    |                        | ,                    |
| Chemical name         | Oral LD50          | Dermal LD50            | Inhalation LC50      |
| Ethofumesate          | = 1130 mg/kg (Rat) | > 20050 mg/kg (Rabbit) | > 3.97 mg/L (Rat)4 h |
| 26225-79-6            |                    |                        |                      |
| Propylene Glycol      | = 20 g/kg (Rat)    | = 20800 mg/kg (Rabbit) | -                    |
| 57-55-6               |                    |                        |                      |

Delayed and immediate effects as well as chronic effects from short and long-term exposure

Skin corrosion/irritation Non-irritant.

Serious eye damage/eye irritation Non-irritant.

| Respiratory or skin sensitization | Did not cause sensitization on laboratory animals. |
|-----------------------------------|--|
| Germ cell mutagenicity            | No information available.                          |
| Carcinogenicity                   | No information available.                          |
| Reproductive toxicity             | No information available.                          |
|                                   |  |
| STOT - single exposure            | No information available.                          |
| STOT - repeated exposure          | No information available.                          |
| Aspiration hazard                 | No information available.                          |
| Other adverse effects             | No information available.                          |
| Interactive effects               | No information available.                          |
|                                   |  |

## 12. Ecological information

### Ecotoxicity

Very toxic to aquatic life. Toxic to aquatic life with long lasting effects.

| Chemical name               | Algae/aquatic plants  | Fish  | Toxicity to<br>microorganisms | Crustacea   |
|-----------------------------|---|---|-------------------------------|---|
| Ethofumesate<br>26225-79-6  | -   | LC50: =10.92mg/L (96h,<br>Cyprinus carpio)<br>LC50: =21.2mg/L (96h,<br>Lepomis macrochirus)<br>LC50: =20.2mg/L (96h,<br>Oncorhynchus mykiss)  | -                             | EC50: =13.52mg/L (48h,<br>Daphnia magna)<br>EC50: 49 - 83mg/L (48h,<br>Daphnia magna) |

#### US Federal Regulations

### <u>SARA 313</u>

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372.

#### SARA 311/312 Hazard Categories

Should this product meet EPCRA 311/312 Tier reporting criteria at 40 CFR 370, refer to Section 2 of this SDS for appropriate classifications.

### CWA (Clean Water Act)

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42).

#### **CERCLA**

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material.

### US State Regulations

#### California Proposition 65

This product does not contain any Proposition 65 chemicals.

### U.S. State Right-to-Know Regulations

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text.

DISCLAIMER: The information presented herein is based on available data from reliable sources and is correct to the best of Albaugh's knowledge. Albaugh makes no warranty, express or implied, regarding the accuracy of the data or the results obtained from the use of this product. Nothing herein may be construed as recommending any practice or any product in violation of any law or regulations. The user is solely responsible for determining the suitability of any material or product for a specific purpose and for adopting any appropriate safety precautions. This Safety Data Sheet (SDS) serves different purposes than and DOES NOT REPLACE OR MODIFY THE EPA APPROVED PRODUCT LABELING (attached to and accompanying the product container). This SDS provides important health, safety, and environmental information for employers, employees, emergency responders and others handling large quantities of the product in activities generally other than product use, while the labeling provides that information specifically for product use in the ordinary course. Use, storage and disposal of pesticide products are regulated by the EPA under the authority of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) through the product labeling, and all

necessary and appropriate precautionary, use, storage, and disposal information is set forth on that labeling. It is a violation of federal law to use a pesticide product in any manner not prescribed on the EPA-approved label. End of Safety Data Sheet
